Quick, Free Response Session

Circulation + Parking

**Short
Term
Needs**

**Long
Term
Needs**

Sacredness of Place

Organizing the visitor and worship experience.

Short Term Needs

Christ Church Campus

Now to 5 years

Parking (in proximity)...2 services make parking even more of an issue

Safer parking (+ security)

Better signage (directional + Frederica Rd...tasteful / historic)

ADA / accessibility (brick pathways, as an example...from Oglethorpe Hotel)

Worship space (stage + storage of worship furniture)...175-200 in dual service

Office space + Classroom space **including adult education**

Bad infrastructure...MEP in Parish House (see energy audit)

More programming space / gathering space (hall needs to be bigger)

Storage

Kitchen (storage, usability)

Church...HVAC; some foundation work (middle of church bounce); tie into water

Tree canopy / arboriculture / canopy management

stormwater management along Frederica Road...no culverts

Improved connection between church + parish house

Gift / bookstore / welcome space for tourism...**nearly 75,000 to 100,000 visitors per year**

More accommodating to events

Restrooms needed for tourists...note VBS conflicts

Organizing the visitor and worship experience.

Noted by Vestry

Short Term Needs

St. Ignatius Campus

Noted by Vestry

Drainage

Parking (needs security lighting as well)

Noted by Vestry

Bathroom

Lighting (exterior + interior)

Storage/sacristy

Signage...especially for vehicular

Sound

Noted by Vestry

Seating...potentially move / get rid of organ (will be moving)

~60 for Saturday service; less than 2x per week use now

HVAC

Need to tie in water

Wedding / areas in the garden

ADA / accessibility

Organizing the visitor and worship experience.

Long Term Needs

Christ Church Campus

Next 5-20 years

Enlarged (or new) worship space to accommodate 300-400 (note funerals)

Community events (ex. wedding reception areas @ Wesley Garden)...indoor + outdoor

Cemetery expansion (may be out of space in 20 years)...speak with Oscar

Enlarged parking *and* access (to back property)

Historic preservation

Generate revenue in space to offset potential decline in membership

Relationship with the NPS

Housing opportunities (but note Honeycreek, Diocesan retreat center)

note Marsh's Edge was heavily supported

staff housing, but not necessarily on campus

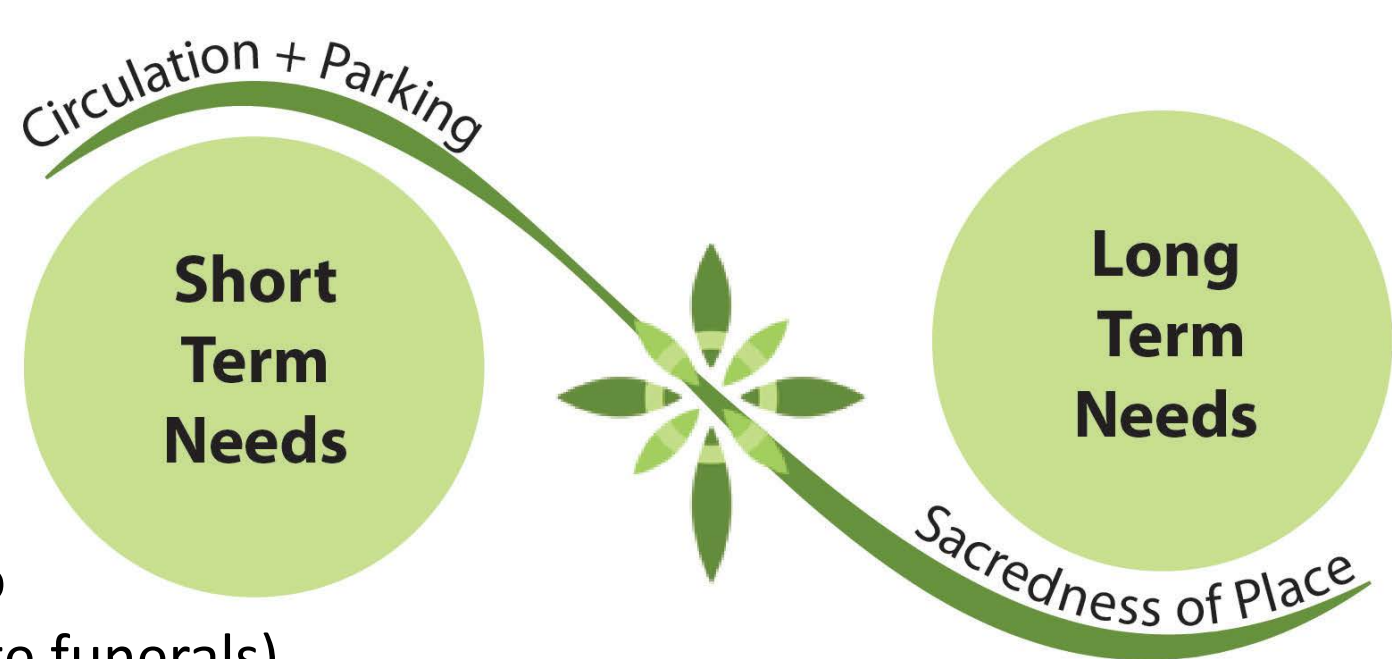

theological / seminary remote campus?

youth center? (note there was some discussion of Dodge house)

church school (early childhood education / preschool;

St. Williams/FBC/UMC have one/are going to)

Epworth by the Sea

Organizing the visitor and worship experience.

Long Term Needs

St. Ignatius Campus

- Add appropriate bathrooms
or additional building (more privacy)
- Parish hall (single with kitchenette, bathrooms)
- Expanded parking
- Historic preservation
- Demere Road access (right / left turn areas)
